

An open invitation to a reception hosted by the

International Indigenous Dementia Research Network

The IIDRN exists to foster collaboration and knowledge translation among researchers, policy analysts, community members, and front line workers on issues concerning aging and cognitive health in Indigenous peoples worldwide.

Monday, July 25, 2016
5:45 - 7:00 p.m.

Intercontinental Hotel
225 Front St W
Toronto, ON

Light refreshments will be provided.

All are welcome.
